

DIOCESE OF CHICAGO
WOMAN'S AUXILIARY

1930

FORTY-SIXTH ANNUAL REPORT

OF THE

CHICAGO BRANCH

OF THE

WOMAN'S AUXILIARY

TO THE

NATIONAL COUNCIL

JANUARY 1, 1930 TO JANUARY 1, 1931

PRAYERS.

WOMAN'S AUXILIARY PRAYER.

Almighty God, our Heavenly Father, bless we pray Thee our work for the extension of Thy Kingdom, and make us so thankful for the precious gift of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their God and Saviour; through the same Jesus Christ our Lord. Amen.

UNITED THANK OFFERING PRAYER.

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give as Thou hast given to them. Accept from thankful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

O God, to whom all Thy children are dear, we beg Thy blessing on the women who are banded in fellowship of love and good works, to the end that Thy name may be honored, Thy Church edified, and Thy servants helped; and we beseech Thee to fill the hearts of all faithful people with love of Thee, and hunger for Thy presence here and forever; all of which we ask for the sake of Him who died and rose again for us, Thy Son Jesus Christ our Lord. Amen.

May Thy Holy Spirit take possession of our hearts, and so sanctify our motives that we cannot will to do anything contrary to the precepts of religion, or the interests of righteousness, or the growth of holiness. And to this end give us a ready mind to receive Thy inspirations, and a fixed determination to carry them into good effect, through Christ our Lord. Amen.

Remember in Thy great love, O Father, all little bands of believing folk who are striving to uplift and uphold the banner of the Cross in lonely places and distant parts of the world, and if the comfort of human sympathy doth not reach their ears, stand Thou very close to them, and breathe words of courage and hope into their fainting hearts, for Christ our Lord's sake. Amen.

[Written by Bishop Anderson for the Woman's Auxiliary, April 21, 1898.]

O Lord Jesus Christ, who didst charge Thine Apostles that they should preach the Gospel to every nation: prosper we pray Thee, all Missions both at home and abroad (especially

Give them all things needful for their work, making them to be centers of spiritual life. Support, guide and bless the clergy and workers (especially who are called to labor in those parts of Thy vineyard, give them grace to witness to the Faith, endue them with burning zeal and love that they may turn many to righteousness and may themselves win a crown of everlasting glory; who livest and reignest God forever and ever. Amen.

FOR OUR PRAYER PARTNERS.

We pray Thee, O Lord, to give ear unto our prayers, and harken unto the voice of our humble desires; especially we beseech Thee to guide with Thy counsel Thy servants Adelaide E. Smith, A. M. Larery and Bertha Brooks, our Prayer Partners, whom Thou hast called to labour among Thy people. Keep them safe in body and spirit, inspire them with Thy wisdom, lead them in the ways of Thine appointment, and enrich them with Thy heavenly grace to the furtherance and fulfillment of Thy will. We ask it in the name of Jesus Christ, our only Mediator and Advocate. Amen.

NOONDAY PRAYER.

Blessed Saviour, who at this hour didst hang upon the cross, stretching forth Thy loving arms: Grant that all mankind may look unto Thee and be saved; through Thy mercies and merits who livest and reignest with Father and the Holy Ghost ever one God, world without end. Amen.

PRAYERS FOR SOCIAL SERVICE.

Jesus, our Master and our Friend, who claimest our service through the needs of our neighbors: Grant us so to see Thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Saviour of the world. Amen.

Blessed Lord, Who for our sakes wast content to bear sorrow and want: Grant unto us such a measure of Thy Spirit that we may follow Thee in self-denial and humility of soul. Help us to succor the afflicted, to relieve the needy, to share the burdens of the heavy laden, and ever to see Thee in all that are poor and desolate; Who now livest and reignest, and will yet come again to be our Judge. Amen.

BLESSING.

✠ The Grace of Our Lord Jesus Christ, the love of God and the fellowship of the Holy Ghost, be with us all evermore. Amen.

Memorial
to
Bishop Griswold.

The Chicago Branch of the Woman's Auxiliary has again been called upon to sustain a great loss in the death of our beloved Bishop, Sheldon Munson Griswold, who died November 28, 1930.

Bishop Griswold was a missionary at heart. His first mission was in Central New York and it was primarily through his deep interest in the missionary work of the Church that the women of the Auxiliary came in closest touch with him.

We have lost not only our Bishop, but a sympathetic friend in all our undertakings.

Our loss is his gain and we rejoice that his life of loyalty and devotion to his Master has now found its fruition in the life of larger service.

I move that this minute be placed in the records of the Auxiliary and that we stand for a moment of silent prayer.

ELIZABETH N. MASON.

PRESIDENT'S REPORT FOR 1930.

The past year has been one of readjustment for most of us; in the Diocese, in our homes, in our contracts, in our ideas of values. It is therefore difficult, in the light of these changed conditions, to estimate accomplishment.

From the last Annual Meeting at St. James' Cathedral when Dr. Stewart preached the remarkable sermon which we shall never forget with its repudiation of the idea and the term "foreign missions," through our stirring United Thank Offering meeting at St. Chrysostom's in May with Bishop Campbell Gray as our Speaker, and leading up to the Quiet Day conducted by Bishop Edward Fawcett on October 9th, at the Church of the Mediator, the members of the Chicago Branch of the Woman's Auxiliary have shown their devotion by their splendid attendance, and the joy with which they were carrying on their task, by their cordiality and friendliness which was contagious. Joy in the face of conditions that seemed discouraging.

Your Chairman and your Vice-Presidents in our capacity as custodians of Auxiliary welfare, have tried to have always before us the resolutions passed at the last Triennial namely, that the challenge is to us as members of Christ's Body to interpret Him to our generation, and so have endeavored to remind ourselves and you that lives preach more than words. In visiting the different Branches, we have tried to place the emphasis not on increased membership, much as that is to be desired, not on larger Thank Offerings nor splendid boxes and generous gifts to the Church's Program, but on the manner in which we are witnessing for Christ in our prayer life, our Church attendance, our communions. The question we would ask ourselves is, are we women of the Diocese of Chicago as a corporate body and as individuals in our public and private witness helping others to a more complete life? Are we an energizing force in our Parish, in our community? We believe that many are.

As a preparation for their work, your Officers welcomed the opportunity offered them by the National Council of four days of Conferences at Taylor Hall last May. Here we drew inspiration from such leaders as Dr. Suter, Miss Lindley, Dr. Case, Miss Marston, Miss Beardsley and from other men and women of gifts and experience, also from the exchange of ideas with the exceptionally fine women who came as Auxiliary leaders from all parts of the United States. The theme for our discussion was "The Life of the Spirit in the World of Today," in our homes, our work, our student life, in race relationships, in rural communities, in mountain areas; as well as problems of growth in China, in India, in Japan and changing conditions in the Islands of the Pacific. A very comprehensive program, you'll agree. We came away with the conviction more firmly implanted than ever that it is the spirit that quickeneth, and an overwhelming desire to take back to you something of the knowledge and inspiration of which we had been the fortunate recipients.

Our always present problem of interesting the uninterested woman in missions can only be solved by accurate knowledge of missions, their needs and how to meet them. For this reason the Educational work has seemed to demand strong emphasis. Miss Marston's Institute held for two days in February was well attended and elicited spirited discussion, and Dr. Ludlow's Conference for Leaders held in October showed an awakened interest as evidenced by the presence of representatives from twenty-four Branches. There were gifts too from several Branches, would there were more—for scholarships at Racine and Madison, all indications that we are eager to offer educational opportunities to those who will embrace them. It would seem from present registration for the Institute now being held that about fifty per cent of our parishes will have Study classes during Lent and some have already begun. Our Leader for the Institute is well prepared for her task, having spent some time in India, attended conferences during the summer at Wellesley and restricted her reading for many weeks to literature pertaining to this study.

Our Social Service work under our new Chairman has taken a long step forward, as her report will show, and it is a hope that we cherish that ultimately every Branch will be conscious of the social needs of its neighborhood and be organized to meet them effectively, it may be by individual effort or in co-operation with other agencies, and that all will have knowledge, born of frequent visits, of our Church institutions. The interest and awareness of Auxiliary women should be felt in every question and situation of moment, educational, ethical, political. It has been a joy to us to know what response the Sister Sybelle met in her work with the women prisoners at Joliet, and now that she has been called to her reward for a life spent in His service we are happy that we can have a share in carrying on the work through the ministrations of the Sister Mary Elizabeth.

Surely the report of the Custodian of the United Thank Offering is an index of the gratitude and self-denial of our members when such a sum as this, only a few hundred dollars short of last year, has been given in this year of financial depression, especially significant too, when we remember the one thousand dollars given so spontaneously to the Diocesan Quota Fund as a memorial to our late beloved Bishop Anderson. Figures only half reveal the picture. The large number of blue boxes distributed, of which a good proportion went to new members, reveals the activity of the Chairman and the interest awakened. The allotments for the Advance Work are well in hand and we hope the sum of fifteen hundred dollars, the amount which we accepted as our share, will be completed by the end of May.

Our Woman's Page in The Diocese has been an interesting venture and it is hoped that it has increased the number of readers of that excellent publication, but it could be much more helpful and stimulating if we had one hundred per cent co-operation. Our former able Editor has been obliged to resign because of removal from the city, but we are looking forward to a better page as you become interested and realize that you are a factor in its success.

The Chairman of the Supply Department has told you of the necessity of changing our location and our anticipation that in the new loop office we shall see you all oftener. We want you to find it a convenient place to 'drop in.' We are also anxious to have a well-stocked emergency shelf and we want very much to specialize in altar linens both old and new for the mission field and to discover and train, if need be, groups of women who will make altar linens and possibly vestments. We would urge the use by Altar Guilds of the excellent Altar Guild Manual from the pen of Mrs. James De Witt Perry, the wife of our Primate.

Your Chairman has esteemed it a privilege to attend all of the monthly meetings of the Church Extension Committee and thus keep informed of the needs and the progress of the growing missions of the Church. She would like to become more intimately acquainted with the women in these groups and trusts they will give her the opportunity to do so. It is our hope that during the coming year we can have a Chairman of Rural Work which provision would enable us to be of real help in that field.

Attendance for two days as a delegate at the Provincial Auxiliary meeting of the Province of the Midwest at Springfield was a never-to-be-forgotten experience rich in interesting contacts and knowledge of the excellent work being done with our young people in our Mid-Western Universities as well as the problems of other groups and how they have met them and a resultant consciousness of our solidarity, our oneness in Christ Jesus.

During the Convention of the Girls' Friendly Society held in Chicago from October fourteenth to nineteenth, your Executive Committee was happy in co-operating to make it a success. The ties that bind this organization to the Auxiliary should be strengthened so that there shall be a gradual development of missionary knowledge, interest and responsibility in

the very young Candidate which shall cause her to unfold and blossom in her maturity into a well-rounded and enthusiastic Auxiliary worker. The operation of this same idea of transition which seems a means of assuring the continuity of the work for missions, was shown recently when a group of young women from a Junior organization of one of our large parishes, of their own accord, presented themselves at the annual meeting of the Parish Auxiliary and asked to be transferred to the older body. What better way can we find of producing the leaders of the future. We are happy to report the formation during the year of another group of young women as Auxiliary workers.

When at our Board meetings which have been held during all but three months with a seventy-five per cent attendance, each member gives a report of her activity, it is a cause for gratitude that women are found so consecrated, so filled with zeal for their Lord's work as to make such preparation for it and take so much time out of their busy lives to speed the coming of His kingdom. Each Vice-President is expected to have a fairly accurate knowledge of the physical and spiritual condition of every Branch in her District and this means effort. It is hoped that you will turn to her for advice and counsel and let her share with you in all your successes.

We would commend the plan of appointed delegates to the Monthly Meetings who shall carry back reports of action taken and information or inspiration received. From experience we have learned, as we feel sure you have, that it is in this way that women enlarge their missionary knowledge and have their interest aroused.

Again we have been called upon to give up to a larger and fuller life our beloved Bishop, Sheldon Munson Griswold. His saintly example, wise counsel and gentle forbearance we shall greatly miss.

Your Chairman was honored in being asked to greet our Bishop, George Craig Stewart on your behalf, at the banquet tendered him after his election as Bishop Coadjutor.

In our new leader we have a great executive and a man whose soul is afire with missionary zeal. What a challenge to us! What an opportunity for increased activity! The quality that he will undoubtedly look for in us is the one he so richly possesses. It has been defined as "Enthusiasm, the beginning and the end of things worth while." What will our response be?

Your Chairman is grateful for your sympathetic co-operation and for your patience with her limitations during these past two years. Serving the Auxiliary has been a very real joy.

Respectfully submitted,

JOSEPHINE G. WILLIAMSON,

ANNUAL REPORT OF THE SECRETARY.

To the Bishop, Madame President and Members of the
Chicago Branch of the Woman's Auxiliary:

Since the last annual meeting, the Executive Board has held nine meetings, there have been eight regular monthly meetings of the Chicago Branch, the Annual United Thank Offering meeting in May and a Quiet Day in October, with Mrs. Williamson presiding at all meetings.

There has been an increase of approximately one-third, in attendance at the monthly meetings which shows, as Mrs. Williamson brought out in her annual report, that the women are growing in devotion.

The past year has been full of inspiration and has covered many points of missionary interest. Speakers from afar have told of St. Paul's School, Hong Kong, China, the Hinterland in Liberia, the Church in China today, the Religious Problems in India, All Saints Mission, Bontoc P. I. From our nearer neighbors' work among the mountain folk in southwestern Virginia and St. Philip's School, San Antonio, Texas.

In the beginning of the year, Miss Grace Lindley, Executive Secretary to the National Council, gave us a most spiritual and inspirational talk, stressing the need today of a new advance step in our Christian Discipleship and more adventurous thinking.

In our own Diocese, the work of the City Missions Deaconesses; also the following organizations, which are among those who so splendidly cooperate with our Church, the Young Women's Christian Association, the Salvation Army and the United Charities, and a splendid talk on the Industrial Problem of today.

Let us in the coming year, under our president's continued fine, spiritual leadership, prove ourselves "an encouraging force in our Parishes."

ZOE P. AGAR,
Recording Secretary.

REPORT OF THE ADVANCE WORK PROGRAM.
February 8, 1930 to February 1, 1931.

The Woman's Auxiliary has accepted \$1500 as its share of the Advance Work Program. This amount is to be divided equally between the Chapel at the University of Illinois, work in the Calumet District of Northern Indiana, and the Hinterland in Liberia.

To February 1, 1931, sixteen Churches had responded, with a sum total of \$638.25. It is hoped that we will more than reach the goal by June 1, 1931, which is the time limit given us.

SARAH K. PUSTER,
Chicago Chairman.

REPORT OF CORRESPONDING SECRETARY FOR 1930.

The most important work of the Corresponding Secretary is, as you know, the editing of the Year Book.

Miss Larrabee's most efficient help was greatly appreciated.

May I say right here, we have set March 1st as the latest date on which any changes may be received, as each change adds to the expense of the book.

Four hundred copies were printed and mailed to the Clergy, the President and Secretary of each branch, and to all members of the Executive Board.

A number of letters of condolence were written, also of sympathy in cases of illness, all of which were graciously acknowledged.

Respectfully submitted,

BESSIE L. B. HOLLISTER,
Corresponding Secretary.

REPORT OF SUPPLY DEPARTMENT.

The allotments of boxes to be filled by the women of the Auxiliary during 1930 were for 10 personal boxes, 2 hospitals, 3 mission stations and 7 Christmas gifts to United Thank Offering Missionaries. It is to be regretted that we were obliged to return part of our allotment, though through the offering at the Annual Meeting of \$152.83 augmented by gifts to \$172.83, the department was able to fill quotas for St. Mark's Hospital, Liberia and the Hare Indian School.

The Emergency Shelf supplied needs in several places and an exhibition of handiwork made by St. John's in the Mountains was successful and \$40.00 was sent on to them.

The Vestment Committee of the Supply Department sent new and used vestments and altar supplies to seven Missions, some in our own Diocese and others in Minnesota and South Dakota. The value in money was about \$40.00, but that does not tell the value in filling the needs.

There have been reported 2,319 glasses of jelly, nearly 1,000 less than last year.* Please remember our dear families gathered in our settlements and Church Homes when summer comes.

Reports have not come in sufficiently to be able to give the value of boxes sent.

A visit to the Indian Missions of South Dakota last summer, impressed upon your Chairman the need of the boxes by the consecrated men and women who are serving for us and in His Name.

Respectfully submitted,

CHARLOTTE E. FOLDS,
Chairman.

* Late Reports from Branches increase the above amount of jelly to 3,729 glasses.

REPORT OF DEPARTMENT OF RELIGIOUS EDUCATION.

The Department of Religious Education held a Mission Study Class Institute before Lent to prepare parish leaders, the subject being "Roads to the City of God."

We were fortunate to have Miss Marston with us again and there was a good attendance and enthusiasm was shown.

Scholarships were given to send students to Summer Conferences.

Owing to illness there had to be several changes in the chairmanships and so no figures are available as to the numbers attending classes but the interest in study and religious reading has increased.

Respectfully submitted,

CHARLOTTE E. FOLDS,
Chairman.

REPORT OF THE CHAIRMAN OF SOCIAL SERVICE.

February 5, 1931.

This first year of my work as Chairman of Social Service of the Woman's Auxiliary of the Diocese was spent in securing as much information as possible about the work that was being done by the various women's organizations.

In September I mailed a Questionnaire to the President of every Auxiliary in the Diocese. The result was very gratifying. Fifty-one per cent replied. Of this number, the interest in the Diocesan Organizations was manifested as follows:

Sixty-six and one-half per cent had a representative to the Church Mission of Help.

Fifty-six and one-half per cent had a representative to the Church Home for Aged Persons.

Fifty-six and one-half per cent had a representative to St. Mary's Home.

Fifty per cent had a representative to Chase House.

Twenty-seven per cent had a representative to St. Luke's Hospital.

Eighteen per cent had a representative to The Cathedral Shelter.

Eight per cent had a representative to Providence Day Nursery.

Twenty per cent were interested in Local Secular Charities.

This report speaks for itself. There is no doubt, but that the women of the Diocese are "Social-Service minded."

I have visited the Church of the Holy Communion, Maywood, and the Church of the Holy Nativity, Beverly Hills.

This year of work has been an education to me. I have received so much more from contacts with this Board than I have given, that I feel very grateful for the privilege of being allowed to continue for another year.

Respectfully submitted,

HELEN PIERCE BANG.

REPORT OF DIRECTOR OF MONTHLY MEETINGS.

During the past year, seven monthly meetings have been held in Roosevelt Hall and one in St. James Cathedral, the average attendance being 171, and offerings totaling \$527.43.

The Day of Prayer was held at the Church of the Mediator. Due to the fact that it was held later than usual, after Auxiliary work had gotten under way following the summer inertia, the attendance was splendid. Bishop Fawcett of Quincy conducted the day most helpfully.

The speakers for the year were Mrs. Paul Barbour, Bishop Stewart, Miss Grace Farrell of the Y. W. C. A., Miss Grace Lindley, Rev. Irwin St. John Tucker, and Father Donovan of Liberia.

The honor roll for yearly attendance present:

St. Paul's, Kenwood.....	91
St. Luke's, Evanston.....	81
Grace, Oak Park.....	62
Holy Spirit, Lake Forest.....	55
Emmanuel, La Grange.....	49
St. Mark's, Evanston.....	48

The number of parishes represented at the monthly meetings has risen a bit this year. Out of the 107 branches in the Diocese there are only 24 which are unrepresented, three less than last year. Most of those parishes are so far distant from Chicago that it is little wonder they could not be present. They are Batavia, Belvidere, Berwyn, Chicago Heights, Dixon, Dundee, El Paso, Galena, Geneva, Grays Lake, Harvard, Joliet, Kankakee, LaSalle, Momence, Naperville, New Lenox, Pontiac, Riverside, Sterling; All Angels, Holy Apostles, St. Luke's and St. Stephen's.

The Executive Board held eight meetings.

Respectfully submitted,

ELEANOR M. FOWKES,

Director Monthly Meetings.

REPORT OF THE DEACONESS DISCRETIONARY FUND FOR 1930.

The City Mission Deaconesses wish to thank all who contributed to our Discretionary Fund, thus making it possible for us to help more of the individuals and families we are looking after outside of the Institutions where we first are in touch with them, who, on account of present conditions needed extra help, some of them for the first time, and had no one but their Deaconess to appeal to for temporary aid until they could again be self-supporting; we find all so grateful even for the little we are able to do for them.

Eighty-eight Auxiliary Branches and Guilds, one Individual and the Members of "The Clerica" contributed in 1930. We most heartily thank the twenty-seven branches who increased their contributions, some even giving double the amount; (marked with *) gladly we welcomed five new ones to our list (marked thus #) and six who had not given in several years; deeply regretted that five felt obliged to give less than in 1929, and that six did not respond at all in 1930. We are hoping that in 1931 all will again contribute for our City Mission work, as we missed them very much. With the one hundred dollars generously donated after the Diocesan Monthly Meeting in December, the total amount received was ten hundred and forty-seven dollars (\$1047.00), an increase over the previous years; even with this we were not able to help all who were needing it, and had to give less to those in all institutions we visit, (much as some of the people especially the sick ones needed the extras, we should have been able to give them) because of the greater help necessary for our people outside, such as, rent, board, coal, milk, groceries, extra bedding, shoes, clothing, etc., any of these taking more of our small allowance.

There are still seventeen branches that have never given anything to the Deaconess Discretionary Fund, some in the city, others outside; surely all should feel they want and ought to have a share in this great work of caring for Christ's poor children, for whom the City Mission Deaconesses are responsible, as we find them in one or other of the twenty institutions we visit, or among those we keep in touch with as they go back to places outside.

Everyone of you must admit we would not be following our Blessed Lord's commands if we cared only for the spiritual needs of our people. We should and must (if we do our duty conscientiously) provide for the material needs also when they are as urgent as now. Sometimes we find the father or mother in a hospital (if a tuberculosis one, it may mean they are there for months) worrying and so retarding their recovery, because they know those left at home are not able to provide the bare necessities of life for themselves. What are we to do? Visit them, listen to their troubles, and then be obliged to say, "Am sorry, but the Church does not give us enough money so we can help you," or are we to have a larger fund so we can at least do our share in helping them in their hour of need? The United Charities and other organizations have more families now on their lists than they can possibly care for. We must not shirk our responsibilities, but as far as we honestly can, must care for our own church people.

We well know that everyone is being asked to give to more things than a few years ago; our City Mission work does not stand still; it grows larger every year, so of course, do our needs increase, naturally more money is needed to meet them. We realize (that much as we need it) we cannot count on the extra gift of one hundred dollars (mentioned above) every year, so we feel we must ask every branch in parish or mission in the Diocese to give something to our fund in 1931. If you cannot give more than one or two dollars, send it, and it will enable us to help some worthy soul we could not otherwise.

You may not know that the Deaconess Discretionary Fund (with the exception of about six dollars used for postage, etc.) is divided equally between the five City Mission Deaconesses, and is all the financial help for relief we can depend on; cannot you see that the amount for each one is very inadequate for even the most urgent needs of our sick and poor people. Take the cost of any one of the items mentioned above that we have had to provide, for even one family, for instance, a quart of milk a day for an under-nourished child or someone just out of the hospital has been ordered by the doctor, it costs over four dollars a month, they have no money to get it, so we must supply it, and there is not much we have left for others whose needs are equally great.

We are not getting even fifteen dollars a month each regularly, and we should have now at least twenty-five dollars as the minimum amount, and it is very hard to have to refuse help to anyone when we see how much it is needed.

We feel, therefore, that you cannot blame us for speaking so strongly and pleading with all branches and guilds to do their utmost in 1931 to give even more generously (where possible) to our fund than in 1930, so at the close of the year we can report that not only have more contributed, but that the total amounts to at least fifteen hundred dollars, then we can say we have helped more, and refused fewer; and we assure you that not a dollar will have been spent unwisely.

Respectfully submitted,
DEACONESS ELIZABETH,
Treasurer.
